

In the Court of Appeals of the State of Alaska

Kevin S. Patterson,
Appellant,

v.

State of Alaska,
Appellee.

Court of Appeals No. **A-13576**

Order

Date of Order: **7/30/2020**

Trial Court Case No. **3KN-10-00057CR**

Last month, this Court granted the State's motion to stay this case because there was a motion for reconsideration regarding bail release in the trial court that had not yet been ruled on. Kevin Patterson, representing himself, now requests that the stay be lifted because under Criminal Rule 42(k)(4), that pending motion for reconsideration is considered denied because it was not been ruled on by the trial court within 30 days of the date the motion was filed. Mr. Patterson also requests that the Court accept a late-filed pleading addressing the merits of his bail appeal. The State has not filed an opposition to these requests.

IT IS ORDERED:

1. The request to lift the stay in this appeal is **GRANTED**.
2. The State's response to Mr. Patterson's bail appeal is due on or before **August 6, 2020**.
3. The request to accept a late-filed pleading addressing the merits of Mr. Patterson's bail appeal is **GRANTED**.

Entered under the authority of Chief Judge Allard.
